
EE/CprE/SE 491 Weekly Report 1

9/2/19-9/13/19

Group Number: 09

Project: Inventory Locator Assistant

Client/Advisor: Leland Harker

Team Members/Role:

Alejandro Buentello: Hardware Manager

Caleb Gheris: Communications Supervisor

Jacob Linch: Software Manager

Kurt Markham: Meeting Supervisor

Erin Power: Planning and Time Management Supervisor

Chris Rice: Database Manager

Weekly Summary

The first two weeks we met as a group and with our client in order to get an initial idea of what our project would be. We first met with our client and listened to his ideas and requirements. Then we met as a group without our client to go over what he has said. We formed ideas about what we might do to begin this project and what we might need in the long run. We set up communications and shared documents.

Past Week Accomplishments

N/A

Pending Issues
